

Spotter Staffing

“Not Just a Better Job, A Brighter Future!”

If you are a Speech-Language Pathologist, Special Education Teacher, Social Worker, Physical Therapist or Occupational Therapist who is looking to start their journey towards a brighter future, Spotter Staffing can help! We're more than a staffing agency. We are your career partners!

Spotter Staffing puts our decades of staffing industry experience to work to match you with a position that offers all kinds of perks and benefits, and fits your lifestyle and future goals. No non-compete agreements. No contract buyouts. Just great jobs for great people!

Competitive Weekly Compensation

Whether you're a new grad beginning your career journey or a seasoned vet planning for retirement, we know that what you take home in your paycheck every week matters. That's why Spotter helps negotiate with schools on your behalf to get you the best salary possible, and make sure you have what you need to not just live but succeed.

Health Benefits Through Bennie

Healthcare, dental, vision, ortho and health savings are all covered by your health plan through Spotter Staffing. But with additional options through Bennie, you can choose to have pet insurance, mental health coverage, and many wellness benefits that fit your personal lifestyle. Plus Bennie offers many savings and discounts on things like travel, attractions, automotive, electronics, and more!

Continuing Education and Professional Development

If you are looking for continuing education options and room for professional development to advance in your discipline or your career, Spotter can help. We not only support your learning endeavors, but we also provide more FREE opportunities for you. Plus, we offer reimbursement for your continuing education costs, so you are not hindered but encouraged to be the best OT, PT, SLP, Social Worker or Special Educator you can be.

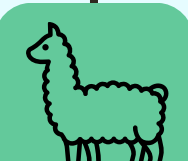

Connections With Clinical Experts

We have a team of experts in the field of Special Education, Speech-Language Pathology, Occupational Therapy, Physical Therapy, and Social Work. If you have a question about an in-school issue, your role, a best practice, or need a knowledgeable shoulder to lean on, you can reach out to your Spotter clinical expert and know that you have their full support and assistance to help you resolve your issues, answer your questions, and come out on top.

Opportunities to Work in Amazing Locations

Spotter Staffing partners with the top school districts in both Chicago, IL and the Dallas-Fort Worth, TX areas. These districts are more than just brilliant work opportunities for our school staff, they also offer nearly unlimited options for cultural experiences, new events and adventures, and exciting attractions. If you are licensed to work in Illinois or Texas, these are the areas you will want to work in.

Become Part of “The Herd”

We so deeply appreciate the school staff who join the Spotter Staffing team, or as we call ourselves “The Herd.” We are always planning events and opportunities to get together, reasons to celebrate, or just fun activities to do as a team. We want our school staff to know they are part of the Spotter team – whether it's receiving gifts, entering raffles, or getting together for happy hours and events.
